CAMPUS DEVELOPEMENT AND MAINTENANCE
COMMITTEE

Objectives-

- The main objective of the campus development and maintenance committee is to achieve a clean, orderly, safe, cost effective, and instructionally supportive SDACH complex that enhances education.
- The purpose of the campus development and maintenance committee is to broadly oversee the Institute's physical assets: its land, buildings, and equipment. More specifically, to ensure the adequacy and condition of capital assets, to develop and periodically review policies, to advocate for new structures and rehabilitate or remove older structures

Functions and Responsibilities

- The committee has to regularly review the condition of the campus building, ground, utilities and other infrastructure to ensure their adequacy.
- The committee has to monitor routine maintenance in the Institute on daily basis.
- The committee has to develop periodical review policies, to advocate for new structures and rehabilitate or remove older structures, and to ascertain that adequate levels of funding exist for plant maintenance and operations.
- The committee has to develop long range plans for repairs/replacement of equipment
- The committee has to develop a plan to respond quickly and appropriately to maintenance emergencies.
- The committee has to bring to the notice of authority on any irregularities in the conditions of the infrastructure and facilities.
- The committee has to ensure cleanliness and neatness inside the campus.
- The committee has to suggest measures for the safety, development and maintenance of Old College building infrastructure.

- The committee has to provide details of infrastructure facilities to the IQAC Committee.
- The committee has to monitor and arrange major and minor repairs of lab equipment's and office accessories.
