Academic Committee

Objectives

- The Committee's main objective is to help ensure a healthy academic atmosphere and enhance the learning experience for the students.
- It monitors the students' academic experience and reviews and makes recommendations pertaining to their progress.
- It constantly looks at the latest changes that are coming up in the field of Ayurveda and provides recommendations to the curricular development committee on reflecting these changes in the curriculum to make students academically ready to meet demands.
- The Committee plays an important role in guiding the students in choosing their electives.
- The Academic Committee also arranges sessions to help the students cope with their studies and overcome any problems they may be facing.
- In sum, the Academic Committee helps the students to realize their educational aspirations through any means possible.

Functions and responsibilities

- The Committee has to ensure that the academic program is consistent with the institute's mission and is in line with industry requirements.
- The Committee promote the overall academic affairs of the institute.
- The Committee has to provide direction with regard to methods of instruction, evaluation or research or improvement in academic standards.

- The Committee has to approve the proposals/regulations recommended by authority on academic regulations, framing of syllabus and evaluation methods.
- The Committee has to facilitate the maintenance of academic discipline within the student community, to ensure that a proper learning environment may flourish.
- The Committee has to introduce value added courses/ certificate courses which are required to meet industry needs.
- The Committee has to prescribe courses of study leading to undergraduate and postgraduate degree of the institute.
- The Committee has to develop the regulations for student's admission based on government policies.
- The Committee has to promote research within the institute and acquire reports on such research from time to time for further guidance and advice.
- The Committee has to prescribe measures for departmental coordination.
- The Committee has to initiate measures for improvements of standards of teaching, Training and research.
- The Committee has to give recommendation for fellow ships, Travelling fellowships, scholarships, medals, prizes etc.
- The Academic Committee shall act as coordinating committee of the faculty and shall deliberate on any matter within the domain of the faculty for the purpose of formulating general policy for approval or disapproval of the faculty.
- The Committee shall act in an advisory capacity. It shall advise the authority on the setting of priorities and the planning of long-range goals for the college. The Committee shall avail itself of pertinent information that is required to carry out these advisory duties effectively.
