(Detailed Description in Annual Report)

Introduction to Comprehensive Achievement Report

1. Student Achievements

Curricular Achievements:

- Participation in national and international academic events like Ayurinformatics Symposium 2024, National Ayush Conferences, and workshops on Ayurvedic practices.
- Students won prizes in Yoga and poster competitions organized by PGIMER, Chandigarh, and other institutions.

Extracurricular Achievements:

- Recognition in slogan writing and poster-making competitions during International Yoga Day celebrations.

2. Faculty Achievements

Curricular Achievements:

- Faculty members presented papers on Ayurveda's role in lifestyle disorders and participated as resource persons in various workshops.
- Contributions to research with publications in journals like "World Journal of Pharmaceutical Research" and "International Journal of Research and Analytical Reviews".

Extracurricular Achievements:

- Participation in community outreach programs such as health awareness camps and lectures.
- Faculty recognized for editorial excellence and resource contributions in developing NCISM curriculum.

3. Administrative Achievements

- Completion of the Academic Block's construction up to the 4th floor.
- Implementation of advanced IT infrastructure, including high-speed internet, public addressing systems, and an IVR system.
- Initiatives like solar mobile charging stations and firewalls for added campus security.

4. Research Achievements

- Completion and initiation of clinical trials, such as the study on functional dyspepsia and polyherbal formulations.
- Faculty guided multiple PhD projects focusing on Ayurvedic interventions.

5. Hospital Service Achievements

- Donation of an advanced life support ambulance.
- Monthly Swarna Prashana vaccination drives conducted in the Department of Bal Roga.
- Addition of advanced diagnostic tools such as PSG (Sleep Study) machines, holter monitors, and stress analyzer, Urine analyzer.

6. Achieving Sustainable Development Goals (SDGs)

- Installation of solar mobile charging stations contributes to **SDG 7 (Affordable and Clean Energy)**.
- Programs on health awareness and immunization align with **SDG 3 (Good Health and Well-being)**.

7. Implementation of National Educational Policy (NEP) 2020

- Faculty participation in NEP 2020 orientation and sensitization programs under UGC's Malaviya Mission.
- Adoption of outcome-based education methodologies and competency-based teaching approaches

Comprehensive Achievement Report: Student Achievements

1. Academic Excellence

- **Top Performers:** Students who excelled in various academic assessments were recognized for their performance. Specific examples include:
 - Students achieving distinction in examinations.
 - Subject-wise toppers in internal assessments and annual exams.
- **Research Papers Published:** Several students actively contributed to research by publishing papers in peer-reviewed journals or presenting posters at national and international conferences.
- **Awards and Scholarships:** Students were awarded prestigious scholarships based on their academic merit.

2. Co-Curricular Activities

- **Workshops and Seminars:**
 - Participation in skill-enhancement workshops related to clinical diagnostics, Ayurvedic practices, and emerging healthcare techniques.
 - Presentations and active engagement in seminars organized within the institution and externally.
- **Competitions:**
 - Students participated in and won awards at academic competitions, such as debates, quizzes, and case presentations.

3. Research and Innovation

- **Student Research Projects:**
 - Many students undertook innovative research projects in collaboration with faculty, exploring areas like integrative medicine, clinical diagnostics, and Ayurveda.
- **Recognition at Conferences:**
 - Students presented research posters and oral presentations at prestigious academic events, earning accolades for their efforts.

4. Clinical Practice and Skills Development

- **Clinical Rotations and Case Studies:**
 - Students were actively involved in clinical rotations, honing their diagnostic and patient care skills.
 - Detailed case studies submitted as part of their coursework showcased their applied knowledge and expertise.
- **Practical Demonstrations:** Outstanding performance in practicals related to Taila Bindu Pariksha, Panchakarma techniques, and laboratory diagnostics.

5. Extracurricular Activities

- **Sports Achievements:**
 - Students excelled in inter-college sports events, securing medals in team and individual competitions.
- **Cultural Contributions:**
 - Active participation in cultural events, including performances in music, dance, and drama, representing the institution at various levels.

6. Community Engagement

- **Health Camps:**
 - Students participated in community health camps, providing basic healthcare and creating awareness about Ayurvedic practices.
- **Volunteering:**
 - Active involvement in volunteering programs aimed at health education and public wellness.

7. Leadership and Organizational Roles

- **Student Committees:**
 - Students held leadership roles in organizing academic and cultural events.
 - Representation in student councils, contributing to institutional development.
